FLOOR SANDING & POLISHING

Wood floors are a timeless and elegant addition to any home or business, but over time, the wear and tear of daily use can take its toll. If your Wood floors are looking dull and in need of a refresh, our floor sanding and oiling service is the perfect solution.

At Treering Floors, we specialize in the sanding and oiling of Wood floors to bring out their natural beauty and restore their durability. Our team of skilled professionals have the experience and expertise to tackle any flooring project, no matter the size or complexity.

The sanding process involves removing the old finish and surface layers of the floor, revealing the fresh and smooth wood underneath. This prepares the floor for the oiling process, which nourishes the wood and provides a protective barrier against moisture, dirt, and other environmental factors.

The benefits of our floor sanding and oiling service include:

- ◆ *Enhanced natural beauty of your Wood floors*
- ◆ *Increased durability and longevity of your floors*
- ◆ *Improved resistance to moisture and dirt*
- ◆ *Enhanced slip resistance for added safety*
- ◆ *An eco-friendly and sustainable solution for your floors*
